Are you interested in learning how shared entrepreneurship has become the competitive advantage of the global and domestic marketplace and how your company can become one that practices continuous innovation? If yes, attend this workshop.

This workshop will give you insight on how to identify and develop high performance work systems for your business that lead to continuous innovations. During the workshop you will learn what kind of leadership it takes to successfully foster an innovative culture.

In addition, you will learn what a learning organization is and pinpoint areas for improvement. This will be a collaborative experiential workshop. You are encouraged to bring a team to it. Each participant will leave the workshop with actionable ideas and a copy of *Shared Entrepreneurship: A Path to Engaged Employee Ownership*.
